Dear Sir/ Madam,

David Graham from DAGA Limited joined the London Borough of Hackney on a fixed term contract basis in February 2009 where he worked as a specialist Road Safety Engineering Consultant in the Road Safety Team at 300 Mare Street, Hackney. Up to the end of his current assignment which terminated on 26<sup>th</sup> February 2010 David set up a system of management and undertook numerous personal injury collision studies in support of the Councils Local Implementation Plan. He also set up and managed a system of Road Safety Audit for schemes generated by the department. Based on my experience of working with David I would have no hesitation in recommending him to provide a competent Road Safety Engineering service to all who might wish to engage him.

Yours faithfully,

Ugo Ihesiene

(Acting) Team Leader Road Safety
